

**Commercial Development Site Feedback 17/18 June 2016**

Number of forms completed 87  
 Number stating ALL sites are suitable 28  
 Number stating NONE of sites are suitable 16

SITE	In Favour Number	In Favour %
534 – Pavenham Golf Course (Hotel)	26	29.8
Not appropriate for village		
Utilities & roads problems		
Access and traffic safety issues		
If village owns pub could help with trade		
Will generate traffic and much late night noise		
Will give light pollution		
Will increase traffic through village		
Will lead to loss of woodland		
Not in keeping with Pavenham; noise and light pollution damaging; traffic increase		
Strongly against large hotel development at golf club – more traffic and large volumes of people and cars		
Goes against vision for 2035 and alters character of village. Also paves way for further development		
181 – The Golf Course, Bedford Road (chalets)	26	29.8
Not appropriate for village		
Utilities & roads problems		
Access and traffic safety issues		
Chalets visible from road and not in keeping with existing buildings		
Will generate traffic and much late night noise		
Will give light pollution		
Will lead to loss of important woodland that shelters wildlife		
Not in keeping with Pavenham; noise and light pollution damaging; traffic increase		
Goes against vision for 2035 and alters character of village. Also paves way for further development		
180 – Stafford Bridge Farm	50	57.4
Small business unit, limited in size and number of employees
